

## Tentative Programme - June 2, 2019 (Sunday)

<i>Registration</i>							
	WS1	WS2	WS3	WS4	WS5	WS6	--
<b>AM</b>	EQUATOR publication workshop: Secrets of success in writing and publishing research articles	Initiatives to foster responsible research practices	Superb supervision: An international perspective on research integrity training programs for PhD supervisors	Using MCD as a tool to embed responsible conduct of research	How to investigate breaches of research integrity and research misconduct?	New challenges in RCR training: Preparing and conducting your own RCR/GSP/RI lectures, courses and workshops	--
<i>Lunch</i>							
	WS1	WS2	WS3	WS7	WS8	WS9	WS10
<b>PM</b>	EQUATOR publication workshop: Secrets of success in writing and publishing research articles	Initiatives to foster responsible research practices	Superb supervision: An international perspective on research integrity training programs for PhD supervisors	The Embassy of Good Science: Fostering creative online collaboration between scientists on research ethics and integrity	Confidentiality, conflicts and content: Addressing three challenges in the management of responsible conduct of research	New challenges in RCR training: Enriching and outreaching for global education	Image integrity in scientific publication
<i>Break</i>							
<p><b>Plenary A: New Challenges in Research Integrity</b>  <b>(Chair: Mai Har Sham)</b>                      Alan Finkel                      [pending]</p>							
<p>Welcome Reception</p>							

## Tentative Programme - June 3, 2019 (Monday)

<b>AM</b>	<i>Registration</i>						
	<p><b>Plenary B: Integrity in innovation and impact (Chair: Zoë Hammatt)</b>            Charlie Day            Maura Hiney            Maria Leptin</p>						
	<i>Break</i>						
	FT1	SY1	SY2	CC1	CC2	CC3	CC4
Ensuring integrity in innovation and impact (1st session)	Implementation of new codes of conduct for research integrity	Responsible authorship	Concurrent Session	Concurrent Session	Concurrent Session	Concurrent Session	
<b>PM</b>	<i>Lunch and Poster Walks</i>						
	<p><b>Plenary C: Institutional assessment of researchers (Chair: Sabine Kleinert)</b>            Frank Miedema: Academic leadership and the Transition to Open Science            David Moher: Is the assessment of researchers fit for purpose?            Mai Har Sham: topic to be provided</p>						
	<i>Mini-Break</i>						
	FT2	SY3	CC5	CC6	CC7	CC8	CC9
	How can we improve organizational assessment of researchers (1st session)	Preprints: Beneficial or harmful for research integrity and publication ethics? A debate	Concurrent Session	Concurrent Session	Concurrent Session	Concurrent Session	Concurrent Session
	<i>Break</i>						
	SY4	SY5	CC10	CC11	CC12	CC13	CC14
Researcher and institutional roles in resolving (and accepting) diverse views of responsible conduct of research	Misdirected allegations of breaches of research integrity	Concurrent Session	Concurrent Session	Concurrent Session	Concurrent Session	Concurrent Session	

## Tentative Programme - June 4, 2019 (Tuesday)

AM	<i>Registration</i>						
	<p align="center"><b>Plenary D: Solutions that make a difference</b> (Chair: Lex Bouter)</p> <p>Joseph Cesario: A View of Peer-Review Pre-Registration at Comprehensive Results in Social Psychology Christa Van Zyl: Developing research integrity capacity through training and networking in Africa Ana Marusic: The Embassy of Good Science: An internet platform for sharing knowledge and experiences in research integrity</p>						
	<i>Break</i>						
	FT1	FT2	SY6	CC15	CC16	CC17	CC18
Ensuring integrity in innovation and impact (2nd session)	How can we improve organizational assessment of researchers (2nd session)	Institutional challenges in integrity education	Concurrent Session	Concurrent Session	Concurrent Session	Concurrent Session	
PM	<i>Lunch and Poster Walks</i>						
	<p align="center"><b>Plenary E: Perspectives for funding agencies in shaping responsible research practices</b> (Chair: Mai Har Sham)</p> <p>Anne-Marie Coriat: Trust and value in research - a systems perspective Kylie Emery: Simplifying and strengthening responsible research practice – the Australian experience Qikun Xue: Research integrity practice at Tsinghua</p>						
	<i>Mini-Break</i>						
	<p align="center"><b>Steneck-Mayer Lecture (Chair: Melissa Anderson)</b></p> <p>Mark McMillan: Ethical and integrity dilemmas for engaging with humanity's oldest living knowledge systems</p>						
	Social Event						
Conference Dinner							

## Tentative Programme - June 5, 2019 (Wednesday)

AM	<i>Registration</i>						
	<p><b>Plenary F: Asia in focus: recent advances in fostering research integrity (Chair: Daniel Barr)</b></p> <p>De Ming Chau: Fostering Research Integrity in Malaysia by Young Scientists In Jae Lee: to follow Li Tang: Integrity Construction in China: Challenges and Prospectives</p>						
	<i>Break</i>						
	SY7	SY8	CC19	CC20	CC21	CC22	CC23
Transparency 2025 - a panel discussion on new ideas to promote transparency in research	Essential areas for better peer review: Equipping research journals for change - "integrity first, then impact"	Concurrent Session	Concurrent Session	Concurrent Session	Concurrent Session	Concurrent Session	
PM	<i>Lunch</i>						
	<p><b>Plenary G: Predatory publishing and other challenges of new models to share knowledge (Chair: Susan Zimmerman)</b></p> <p>Bhushan Patwardhan: Research integrity and publication ethics: Indian scenario Deborah Poff: Complexities and approaches to predatory publishing Robert-Jan Smits: Research Integrity: are we making any progress?</p>						
	<i>Mini-Break</i>						
	SY9	SY10	CC24	CC25	CC26	CC27	CC28
	Data sharing and RCR: Sharing industry experiences as part of the research transparency environment	Fostering RI and social relevance of research findings: A global perspective through intercultural dialogue	Concurrent Session	Concurrent Session	Concurrent Session	Concurrent Session	Concurrent Session
	<i>Break</i>						
<p><b>Plenary H: Concluding plenary (Chair: Lex Bouter)</b></p>
